

# LCS

## **Mission flexibility. Future adaptability. Proven design.**

The nation's first Littoral Combat Ship USS FREEDOM (LCS 1) is underway. And she's already exceeding expectations. Fast, highly maneuverable and survivable, the LCS is the most capable and affordable solution for the Navy's ever-changing warfare needs. Designed to take on threats that lurk in the littorals and increase access for the Navy, LCS provides the flexibility for meeting any requirement, today and tomorrow. LCS. The affordable, agile, reconfigurable solution to America's naval needs.
